

# Midnight Violets

Row 1

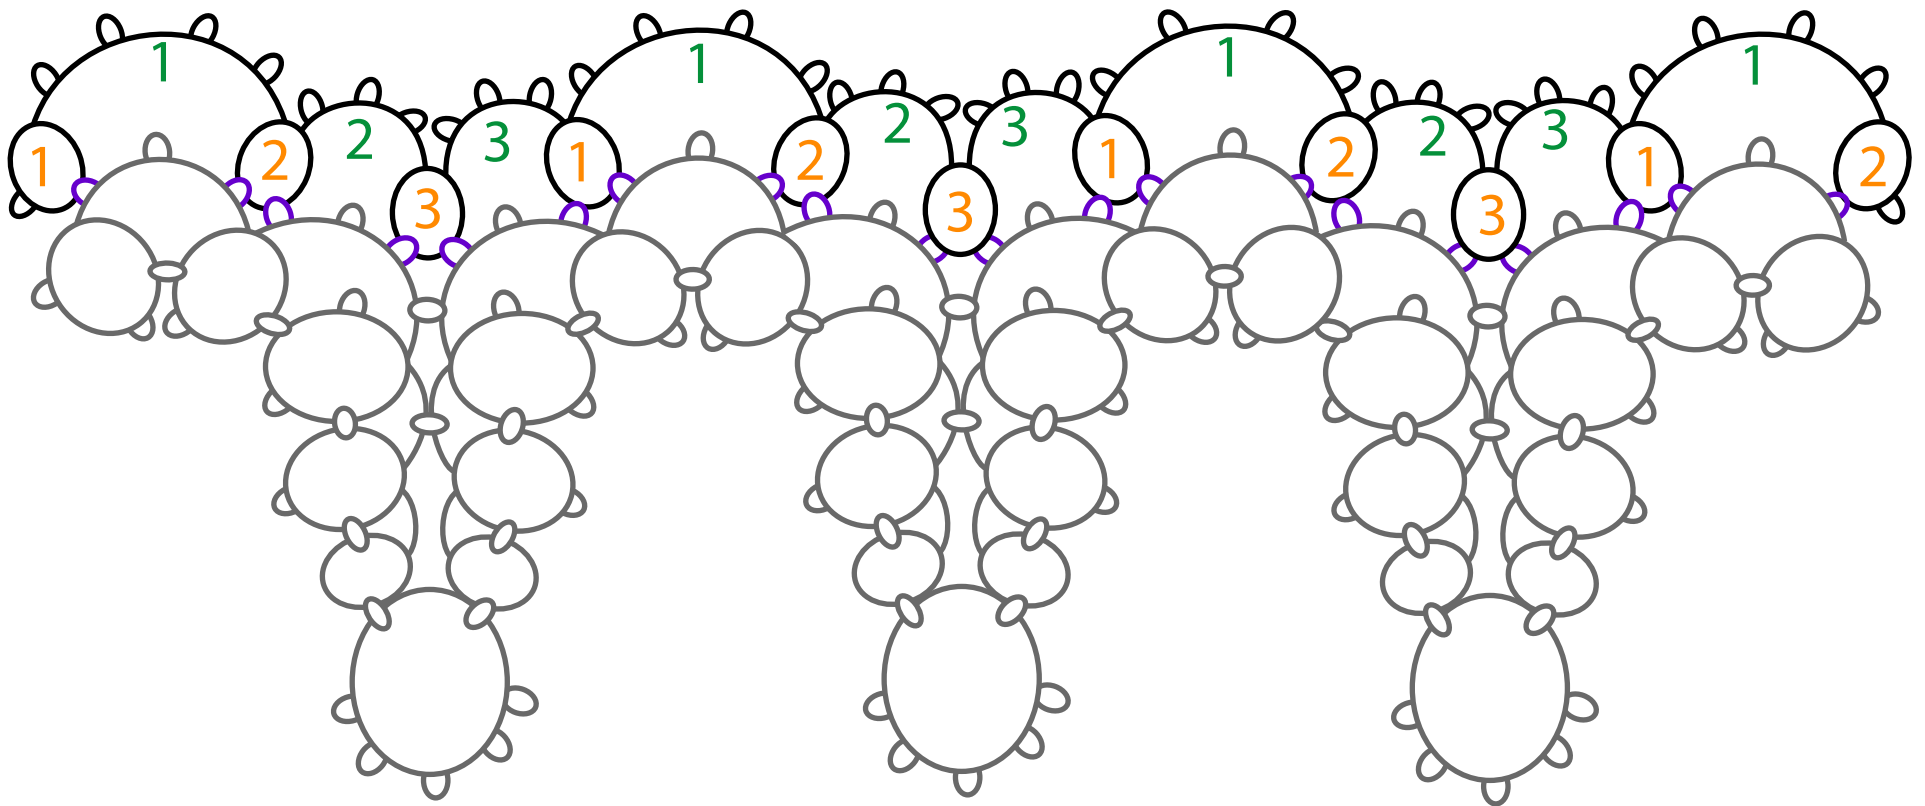

The numbers are NOT the number of stitches, but the sequence in which the rings and chains are made.

Green numbers are chains and orange numbers are rings. The purple circles indicate where a join is located.

# Midnight Violets

## Row 2

The numbers are NOT the number of stitches, but the sequence in which the rings and chains are made. Green numbers are chains and orange numbers are rings. The purple circles indicate where a join is located.
