Malice Automagical Measurement Maker

Requires a current version of the free Adobe Reader.

Note to Mac users: Preview will not work; download the free Adobe Reader!

Step 1: Fill in your measurements (in decimal inches).

A. _____in. (Around natural waist.)

B. _____in. (From top of shoulder to top of decolletage.)

C. _____in. (From nipple to nipple.)

D. _____in. (From natural waist on front, over shoulder, to natural waist on back.)

E. _____in. (From natural waist to middle of kneecap.)

F. _____in. (From natural waist on front to top of decolletage.)

Step 2: Your piece sizes will automagically calculate. Now go cut them out!

#1 Skirt: _____in. Wide by _____in. High.

#2 Wasitband: _____in. Wide by 5in. High.

#3a & #3b Ties: 32in. Wide by 5in. High.

#4 Bib: _____in. Wide by _____in. High.

#5a & #5b Shoulder Straps: 4in. Wide by _____in. High.

#6 Skirt Ruffle: _____in. Wide by 4in. High.

#7a & #7b Shoulder Ruffles: _____in. Wide by 4.5in. High.

Step 3: You'll need these measurements later on in the body of the pattern. More automagic!

I: _____in.

II: _____in.

III: _____in.

IV: _____in.

V: _____in.

Step 4: Fill in the blanks in the pattern with your automagically calculated numbers.
